

Supporting Efforts to Broaden Participation in Computer Science

JEFF FORBES

Program Director
National Science Foundation

Monday, December 16, 2019
10:30 – 11:30 am 3725 Beyster Bldg.

BIO: Jeff Forbes is a Program Director for the Education & Workforce program in the National Science Foundation's Directorate for Computer & Information Science & Engineering (NSF CISE), managing programs that address the critical and complex issues of education and broadening participation in computing. Jeff is currently on leave from Duke University where he is an Associate Professor of the Practice of Computer Science. He received his BS and PhD degrees in computer science from Stanford University and the University of California, Berkeley, respectively. His research interests include computer science education, social information processing, and learning analytics.
